02 Charge the Headset

Your headset uses a rechargeable battery. You must charge the battery fully before using the headset for the first time.

1. Plug the charging cable into the USB charging port (B).
2. The red indicator remains on while charging.
3. Full charge takes 1-2 hours.
4. The red indicator turns off when charging has completed.

03 Power On/Off Headset

A. To Turn On: Press and hold (A) for 3 seconds until the indicator light flashes blue.

B. To Turn Off: Press and hold (A) for 3 seconds until the indicator light turns off.

04 Pairing Steps

1. With the headset turned off, press and hold (A) for 5 seconds. The indicator light will alternate red and blue indicating the headset are in pairing mode.

2. Open the bluetooth settings on your mobile device and connect to the BlueBUDS TWO. If prompted for a password, enter 0000.

05 Multipoint Technology

Enables connection of two devices to the BlueBUDS TWO at the same time. To pair a second device:

1. After connecting the first device with the instructions above, press and hold (A) for 3 seconds.
2. Press and hold (A) for 5 seconds to enter pairing mode.
3. From the bluetooth settings on the second device, connect to the BlueBUDS TWO using 0000 as the password if prompted. Both devices will be connected.

NOTE: When both devices are connected, you can play music or answer calls from either device on the headset. When switching from music on one device to the other, stop the music on the first device before playing music on the second one. When receiving a call from one device while on a call with the other, a beep will sound indicating that you need to hang up on your current device to answer the incoming call from the other device.
