1. Handset Button
2. Push Once: Previous Song  
Push and Hold: Vol. Up
3. Play / Pause
4. Push Once: Next Song  
Push and Hold: Vol. Down
5. Mic
6. Mini USB Charging Port
7. Charging Indicator LED
8. Line-In Port
9. / 10. Pairing Indicator LED
11. On / Off Switch

## Charging the Battery

Before first use follow these instructions to fully charge the BlueJAZZ:

1. Move the "On / Off" switch to the "Off" position.
2. Plug the provided USB charging cable into the speaker and a powered USB port. While charging, the indicator LED light will be red. Once fully charged, the red LED will turn off.

## Playing Music with a Bluetooth Connection

1. Move the "On / Off" switch to the "On" position.
2. The BlueJAZZ will make a loud beep and the LED indicator lights will flash blue and red, indicating that the speaker is in pairing mode. If a device is not connected after 30 seconds, the speaker will switch to sleep mode. Turn the speaker off and then on again to re-enter pairing mode.
3. On your mobile device: Turn Bluetooth on, search for Bluetooth devices, and select the speaker.
4. If you are prompted to enter a password to complete pairing, enter 0000. The BlueJAZZ will beep. The indicator lights will stop flashing while the blue indicator light will stay on. The blueJAZZ has successfully paired with your device and is ready for use.

Note: If the BlueJAZZ is moved out of range or runs out of power and drops the connection to your portable device, then you will need to recharge or move the BlueJAZZ closer to your portable device and return to step 1 above to re-establish the Bluetooth connection.

## Playing Music with a Line In Connection

1. Move the "On / Off" switch to the "Off" position.
2. Plug the provided audio cable into the BlueJAZZ and then into your portable device.

3. Move the "On / Off" switch to the "On" position. The BlueJAZZ is now ready for use.

## Answering a Call with the BlueJAZZ

1. Establish a Bluetooth connection between your device and the BlueJAZZ as described in the section above "Playing Music with a Bluetooth Connection."
2. To answer an incoming call press the *Handset Button* once.
3. To end a call press the *Handset Button* again.
