

Chi-Charge In N Out

4000mAh Universal Wireless Charging Power Bank

The Chi-Charge In N Out takes two great products, the wireless charging pad and portable charger, and combines them into one incredible product!

The suction cups easily secure onto most phones and cases, providing a secure connection providing 4000mAh of power to keep your device alive.

When your Chi-Charge In n Out is placed on top of another wireless charging pad, it will simultaneously charge up the powerbank and continue to charge your connected device.
